India

Serviss MISSIONS

Hello Friend and Partner,

We just got back from another power-packed camp in the hills of Romania and now we are on our way to INDIA. At camp we got to pray with many young people and see God change their lives first hand! It was awesome to see them receive Christ, experience healing, and be filled with Holy Spirit. We could not do it without you! **Thank you** for your ongoing support which makes camp, Kids' Club and Overcomer's ministries in Romania possible as well as outreaches to other nations.

As you read this letter we are in the first city of INDIA to work with a senior pastor over a large network of churches in that country. We will be leading a pastor's conference in which 200 poor pastors plus their wives will be coming for an expenses-paid weekend of ministry and teaching (**it's not too late to sow your seed for this outreach to bless the Indian people**). We will also be holding outreaches to Hindu children and Julie will be ministering in meetings just for Indian women. We purposely don't mention locations and dates for safety but **pray with us dear partner that Jesus is glorified in all that is said and done.** *We desire for the precious Indian people to experience the love of the one true God and for Him to confirm His Word with signs and wonders!*
