

September/October 2017

Dear Friend,

We hope you enjoy the photos of Kids' Club and their fun summer camp activities. I love the way children are eager to try something new and get excited about a new adventure. I always want to cultivate a heart that expects goodness and fulfillment! Think about it, God wants to satisfy the desire of every living being and only He can do that. It's our goal for every child that comes to Kids' Club to experience the love of God in a way that stays with them forever. We want them to grow up to be ministers of God's love themselves!

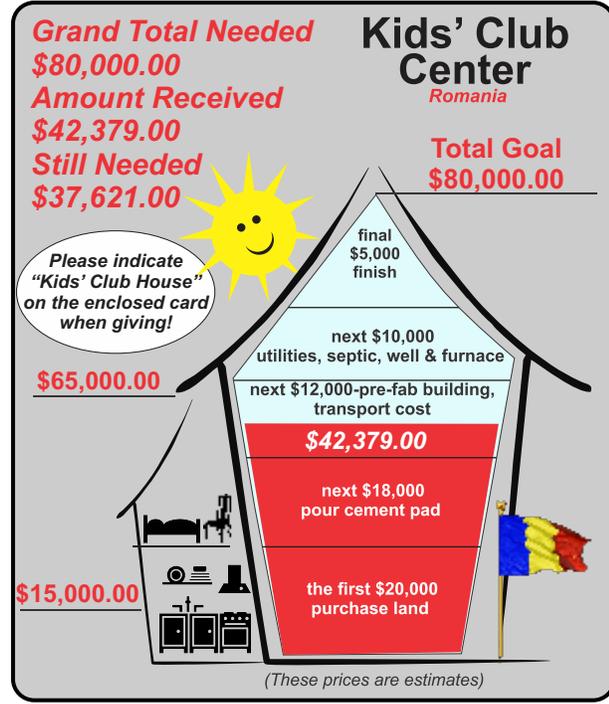

God has given us a new assignment that we believe will reach more people and that is to be lead pastors of Mountain Creek Church in Dallas, Texas. Nothing will change with Kids' Club, it will continue under the love and care of the Romanians who lead it. We still want to build a building for them as the funding comes in for it. Our new church will not be providing any funding because it is already invested in mission efforts around the world and locally, a project to minister to wounded veterans. Partners of Serviss Missions will continue to provide for Kids' Club so we thank you for your continued support. **We pray and declare blessings over you every day!**

GOing for the Gospel,
Mark & Julie Serviss

Kids' Camp Romania

A few weeks ago, we did a "VBS exchange" with Livermore Community Church, Livermore, Colorado. The kids learned that "Jesus is the Light of the World" no matter where you live! They exchanged favorite scriptures and homemade crafts with our Kids' Club while learning about life in the 2 respective countries. Here are a few photos they sent us!

We are a non-profit, faith based organization. Gifts are tax deductible and receipted monthly.

Please check our website for updates, itinerary, free downloadable manuals and online giving!
