

Dear Partner,

Here is Flavia's December report from Kids' Club in Suceag, Romania.

"I had two Christmas programs. One on the 8th and one on the 15th of December. In the first program a team from Ocna Mures came and they did a drama about the meaning of Christmas. About the arrival of three Wisemen and the Shepherds to see Jesus. We also did a puppet show, we sang Christmas carols and at the end we played games. 35 kids came!

On the 15th we had another Christmas program and 60 kids and teens came!!! We watched a movie about the very first Christmas. After watching it, we did a quiz about what we learned from it.

We had 50 presents ready to give to the kids, so when 60 kids came to the second program, we made sure that the children that attend regularly got the presents we had for them. For all the other children, we were able to bless them with some sweets. We invited all of the kids to come back on a regular basis and told them we'd love to have them!

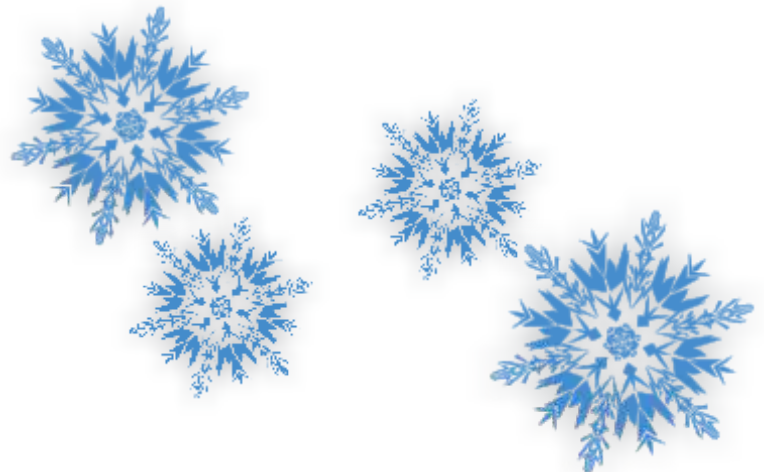

Thank you for praying for Kids' Club! I love these kids! Flavia"

Thank you, partners for making these two outreaches possible. We are very blessed to have Flavia there ministering to these kids!
