Dear Partner,

I am rejoicing as I am getting ready to go back to Myanmar on May 17. I love going into all the world! Whether it is to Romania where Serviss Missions partners have faithfully sowed into Kids' Club all these years since 2009 or some place new like Myanmar, I have always felt the Lord was opening up more of the world to make a significant difference.

I will travel to Yangon, Myanmar (formerly dangerous Burma) in a few days to do some extended ministry and to take money to dig twenty wells for the Burmese people. These wells provide clean water for up to thirty people per well, saving them from a long walk over several miles to get water.

John 4:7(TPT), *"Soon a Samaritan woman came to draw water. Jesus said to her, 'Give me a drink of water.'*" Jesus ministered to her and then (v.28) *"All at once, the woman dropped her water jar and ran off to her village and told everyone."* In reality, she gave Jesus a drink but then she gave Him another drink when she helped her village by telling them about Him.

The revelation is that you give Jesus a drink of water every time you give a thirsty person a drink. When we bless others, we bless Jesus! The way you give Him a drink is to do it unto the least. This is what the Samaritan woman did when she told her whole village about her encounter with Jesus.

Our **"Give Them A Drink"** project will supply natural water by the construction of wells and give living water by the ministry of the Word of God.

Matthew 25:40-42 The Passion Translation (TPT) *"And the King will answer them, 'Don't you know? When you cared for one of the least important of these my little ones, my true brothers and sisters, you demonstrated love for me.' For when you saw me hungry, you refused to give me food, and when you saw me thirsty, you refused to give me something to drink."* If you want to sow a seed to **"Give Them a Drink"** to provide a well for the poor you can use the enclosed card or give online. We pray that you are refreshed, every need is supplied, and that you lack for no good thing. Let's do this friend, trusting that with God anything is possible!

Thank you for helping us bring water to others!

GOing for the Gospel,
Mark & Julie Serviss
