Dear Friends & Partners,

Flavia has sent us an update about Kids' club and how blessed they were for Christmas!

She wrote:

"Our Christmas Program for Kids' Club was so wonderful!

We had a workshop where the children and teens painted Christmas ornaments. We also watched a cartoon about Jesus's birth and sang Christmas carols. At the end we gave them presents. We had 63 children and teens! Praise God that we had presents for all of them, as well as "shoe box" gifts full of hygiene items, gloves, socks, pajamas and school supplies.

Earlier in December, we did a lesson about Jesus' birth and coming to the earth to be the Savior of mankind. I did an experiment with bleach and dirty water showing the children how when we put our faith in Jesus, He washes us clean. We also did an object lesson showing how we want Christ to be the center of everything in our lives.

We showed pictures of multiple things Romanians have in their house around Christmas: a pig to feast on, a Christmas Tree, gifts, and lights. We made a puzzle of these pictures and left an empty space in the middle in the shape of a Cross (see photo below). The kids learned that we need to put Christ in the center if we want to have a real Christmas.

They left the programs with joy and excitement in their hearts."

Thank you, friend for your prayers and giving. You are making a world of difference in these young gypsies and Romanians! God bless you abundantly in the New Year.
