Hello Friend,

We pray you are doing well and experiencing God's faithfulness. The other night God gave us a scripture for you. *"When you live a life of abandoned love, surrendered before the awe of God, here's what you'll experience: Abundant life. Continual protection. And complete satisfaction!"* Proverbs 19:23 TPT. Notice, these blessings are not conditional on the economy being good and the atmosphere being virus free. The condition is that you (and me) live life sold out to Jesus and in humility, honor Him supreme. We're praying that you are living surrendered before the awe of God and experiencing abundant life, continual protection and complete satisfaction. That is His will for you and He will keep His promises and make a way for you!

Kids' Club leader Flavia reported sadly that she hasn't been able to hold the usual programs for the kids these last several weeks due to the global pandemic. However, she is busy ministering to Kids' Club in Suceag, Romania despite restrictions on public gatherings. With live teachings, bible stories translated into Romanian, and Christian music videos the kids have been watching and getting encouraged via her Facebook groups for young and older kids.

The photos are from the last time she was able to physically have Kids' Club in Suceag. *"We played team games, 'Mouse and Cat Relay,' and 'The Shark and the Fish' parachute game. Everyone had so much fun playing the games. The lesson was about the promise of the blessing that God made to Abraham. God told him to leave his father's house and go to the land that He will show him. Obeying God will cost you something (Abraham had to leave his family and all that was familiar) but he received something far greater in return, and so will you. God blessed Abraham in many ways, including cutting a covenant with Him that would eventually bring Jesus the Savior into the earth. I used props and printed verses and the kids really paid attention. They learned how God still wants obedience today and rewards always follow. We had received toys, so at the end of the program we gave them to the kids which were greeted with smiles."*

Flavia shared that the hospital in the village is currently used only to treat COVID-19 patients. This is risky for the villagers as some are janitors at the hospital and also family members of the children that come to Kids' Club. We prayed that the threat will pass. This is a good time for the kids to see that we put our trust in God and believe His Word. Psalm 91:1-3 says, *"He that dwells in the secret place of the Most High shall abide under the shadow of the Almighty. I will say of Jehovah, He is my refuge and my fortress; My God in whom I trust. For he will deliver me from the snare of the fowler, And from the deadly pestilence."* Amen and so be it! We thank God for protecting you, delivering you from every evil, answering when you call and showing you His salvation.
