Hello Friend,

**\*\*\*Be Advised: Graphic war image of violence to children.\*\*\***

"There is hope and joy in the midst of suffering" says Pastor Ling of Myanmar. "Christians in Myanmar have long been persecuted for their faith. In the last couple months more than 7000 people have lost their homes, livelihoods, and some even their lives because of their faith in Christ. I am bringing rice to the refugees for the third time although the path to reach them is not easy to navigate. We are also providing housing and New Testaments" (see photos).

Pastor Ling is our contact for building fresh water wells in his country. He knows the land and the people well and chooses where the wells are built for the greatest impact. Serviss Missions has provided the finances to build 12 so far, thanks to our generous partners. Due to Covid-19 restrictions in that country, wells are not being currently built but plans are in the works to resume when feasible. Our hearts hurt over the prejudice, violence and murder but like the Apostle Paul who suffered much, "We thank God for giving us the victory as conquerors through our Lord Jesus, the Anointed One. So now, beloved ones, stand firm, stable, and enduring. Live your lives with an unshakeable confidence. We know that we prosper and excel in every season by serving the Lord, because we are assured that our union with the Lord makes our labor productive with fruit that endures!" 1 Corinthians 15:57-58 TPT.

We love you and thank you for helping us help those who God brings us. We pray that you continue steadfast in your faith by keeping your eyes on Jesus and His faithfulness.
