Hello friend,

Happy Spring and the promise of renewal that it brings! We live in a small rural area and notice the new calves, chicks, kids or colts born every few days. It's inspiring to see God's bountiful essence in nature.

In Suceag, Romania winter has finally given way to Spring. Flavia (Kids' Club leader) is praising the Lord that everything is going great and Kids' Club is flourishing. *"We had a powerful Easter service for all the kids in the village. We used a stuffed lamb as a prop to show how the Hebrews had to sacrifice a lamb to be saved. God also sacrificed His lamb Jesus so that we might be saved from our sin."*

Seven people are helping now, including a guitar player. The kids really enjoy redeeming their points at the Rewards Store. *"Recently we started a series of lessons of everyone in the Bible that Jesus healed"* said Flavia.

"We taught about Jesus healing the two blind men in Matthew 20:29. We played games and made a craft in which they glued eyes on a drawing and colored it. We sang songs that the kids love including, "You are the God That Heals Me."

This Saturday we taught on Jesus Healing an Official's daughter in Mark 5:21. We played a scripture memory game where one child, that was turned away from the others, had to guess who said the verse we learned. The memory verse was Psalms 103:3. We also played a few exercise games and several teachers got together and taught the lesson as a skit."

Anywhere from 25 to 80 kids come for every program. We are planning powerful outreaches this summer including camp. Thanks for your support of this ministry that is impacting kids for eternity. We love you!
