

Serviss Missions

*Happy Resurrection
Day!*

March/ April 2022

Hello Friend,

Spring is here! Kid's Club leader Flavia testifies how God's love never fails to change hearts! She started teaching on the Prodigal Son and how God's love is always reaching out to you no matter what you have done. Then she and her helpers ministered about how not to worry but to trust God who values you immensely more than the birds and will meet your needs according to Matthew 6:25-33.

The kids made posters with all the things they and their families needed and we prayed over them. Games, crafts, and singing are a fun part of every program too. The kids are learning how to seek God first and put their faith in Him. Thank you for helping us bless Romania. We love you!

GOing for the Gospel,
Mark & Julie Serviss
