*Let the redeemed of the Lord tell their story —  
those he redeemed from the hand of the foe.  
Psalm 107:2*

Happy New Year friend! God's Kingdom is coming in every village, city and country. Get ready to be his hands and feet.

Kids' Club ended the year with over 100 children coming to the Christmas program in Suceag, Romania. The program was filled with music, treats, God's Word, and of course, presents!

After singing Christmas songs, the children had an opportunity to recite the scriptures they had memorized. Next, the children heard the Christmas message from Luke 2, and the adults that came to the program were ministered to separately by one of the leaders. At the close of the program every child received a present. This is a big deal because the village is very poor so thank you friend for your heart for this ministry.

Flavia, Kids' Club leader, has big plans for 2023, not only to expand ministry to children but also outreaches into the village and surrounding areas. May this be your best year yet of expansion, growth and gaining ground for the Kingdom. We love you and bless you in Jesus' Name.
