

Serviss Missions

May/ June 2023

Jesus is our Good Shepherd!

Hello Friend,

Blessings on you in the Matchless Name of Jesus! When you receive this, Mark will be ministering in Mexico City at a church and a Bible school. In mid-May he goes to Connecticut and Rhode Island and then the third week of May, travels to Romania to preach and minister till nearly the end of June. We're so excited for these open doors to the gospel! Please agree with us for the harvest to come in and that God receives great glory.

Kids' Club in Suceag, Romania continues to flourish under Flavia's instruction. On Resurrection Sunday she taught about how Jesus seeks after to save the one lost sheep. You may feel like Jesus doesn't notice you but He does. He sees you and with great love! The kids have recently learned Matthew 6:21 (Where your treasure is, there your heart will be) set to music in a song. We are Jesus' treasure so He comes for us. We can respond by giving Him all that we are because there is no greater Love than His.

The children played games, made crafts and had opportunities to win chocolates. They also learned about 'sticking with Jesus' by doing a science experiment with paper clips. The fun and learning never ends!

We can't thank you enough for supporting Kids' Club and Serviss Missions. Our heart is to go through every open door and make disciples. We love you so much!
