*"How great is our God!
There's absolutely nothing
His power cannot
accomplish, and he has
infinite understanding of
everything." Psalm 147:5*

September/ October 2023

Hello friend,

God is doing miracles all over the world, including Suceag, Romania.

Kids' Club leader, Flavia reports on three areas of outreach in the Gypsy village. "Every Wednesday evening we have meetings especially for teenagers. We socialize, play various board games and share testimonies. I also bring someone each Wednesday to share their testimony which empowers the teens to obey Jesus in their day to day life."

"For the children, in addition to Kids' Club, we held painting workshops for them to have an outlet to create and express themselves through art." They not only received a greater awe for The Creator of the universe but understood that they are made in His image and have value, worth, and purpose. This is vital for gypsy kids who grow up in poverty with no hope or knowledge of God.

Flavia also shared that great testimonies have come from the home group.

"I'm going regularly with one of the pastors and his wife to families to share the Gospel in their homes. At the last meeting, a woman present had schizophrenia and the Lord set her free! She then received Christ into her life, and was born again. Also, a girl was healed. Next, a child wanted us to pray for his sick pig. We prayed for it, and the next day the pig was up and rooting around like healthy pigs do. Even this was a testimony for people that God is powerful! The people were praising the Lord for doing these great things."

Next up: just before school starts in September, Kids's Club is giving out school supplies to 40 children plus backpacks. Thank you for being a friend of Serviss Missions. Your gift is truly a blessing! You are making a difference in every life touched through the giving of food, clothing, medicine, and other items, which your contributions make possible.

Another miracle is that we were given a large building in Romania (see photos). Pray with us as we step out into more ministry.

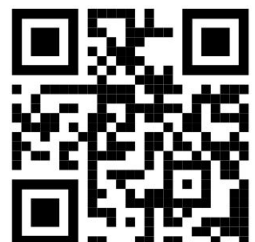

We love you and thank God for you!

GOing for the Gospel, Mark and Julie
