*Celebrating
Resurrection
Life!*

Hello Friend,

I love the sense of joy that Spring brings. The budding trees, fragrant blooms and chirping birds declare God's bountiful and life giving nature. Just like on the earth, after a dormant, barren season in our life God is always breathing new life to spur fresh growth. Receive it today!

Isaiah 41:18-20 GNV says, "I will make rivers flow among barren hills and springs of water run in the valleys. I will turn the desert into pools of water and the dry land into flowing springs. I will make cedars grow in the desert, and acacias and myrtles and olive trees. Forests will grow in barren land, forests of pine and juniper and cypress. People will see this and know that I, the Lord, have done it. They will come to understand that Israel's holy God has made it happen."

Mark is going back to **Mexico City** this month to minister at CFNI Coyoacán - Taxquena Institute and in May, on to **Holland** to minister at a believer's conference. We're expecting God to work with us confirming His Word with signs and wonders.

Meanwhile in **Romania**, the large building in Cugir that was given to us is being used to minister to Gypsies in the area. In Suceag, Kids' Club is thriving under Flavia's leadership. Every program with the kids and teens has a Bible Story station, Prayer Station, and Application station. So in addition to fun games, crafts, and songs, the young people learn the Word of God, learn how to pray God's Word, and learn practical ways to do God's Word. When you pray for and give to Serviss Missions this is what you're sowing into. We thank God for you and pray new life and new season over you.
