

Summer 2026

Dear Partner,

I hope this email finds you well and that summer is bringing opportunities and blessings.

We relocated to rural Missouri last year and have been incredibly occupied assisting a small church. We felt God opened the way for us here but we haven't stopped our outreach efforts. In fact, I had the privilege of preaching to over 50,000 people in Pakistan using a large screen to project my image to the crowd.

I also got to teach virtually in Mexico to a network of Bible schools recently. Additionally, we're actively raising funds to support the youth of Ukraine and an orphanage there, which we had previously visited. Serviss Missions gifted many needed items and Christmas presents for the children and staff.

We plan to repeat the charitable endeavor this year, as well as our ongoing support of Kids' Club in Romania. Kids' Club continues to minister to children and teens groups in Suceag, Romania under Flavia's leadership. Please keep these precious Ukrainian and Romanian children in your prayers as they receive gospel ministry.

We love you and pray that Ephesians 3 illuminates your heart and mind. That you are strengthened with might by His Spirit, Christ dwells in your heart by faith, rooted and grounded in love with all the saints, and you are filled with His fullness!

Psalm 33:12

GOing for the Gospel,
